

Individual or Family Pricing Guidelines

The family prices for Grapevine Studies EBooks and CDs are restricted for use within the purchaser's immediate family. Should you need to print books for a group, please see our group pricing for greater discounts.

Group Pricing Guidelines

1. We, the members and adherents to the purchasing group, hereby understand that this license is limited to the purchasing group and CD(s) and subsequent books can not copied, transferred, sold, or shared in any form with another person, organization, or group.
2. We understand that we are purchasing the rights to print teacher and student edition books listed on the back of this agreement. Additional copies made will be charged at \$10 per teacher/student book or .25 per lesson, payable within thirty (30) days from the day the copy was made by the group.
3. We agree to pay the one-time registration fee of \$100.
4. We understand that this license is effective for one year from the order date and that we have one year in which to make the copies that we need to teach our group and return the CD(s), to Grapevine Studies. This licensing agreement can be renewed by contacting our office before the one-year expiration date.
5. We understand that if we, members of the above mentioned group, decide to no longer use Grapevine Studies, all reproduction of the Grapevine Studies books will cease immediately.
6. Grapevine Studies reserves the right to immediately terminate this license should the purchasing group be found in violation of this agreement. Should the license be terminated, all CDs must be returned to Grapevine Studies within seven (7) days of receipt of terminated contract.
