Supplies: Supplies needed for teaching:

- Bible
- Dry erase board or chalk board
- Dry erase markers or chalk
- Colored pencils
- Lesson pages for each student
- Bible Dictionary, Concordance, Topical Bible

Teaching the Lessons

Teacher Notes: The teacher notes, in green, explain the important information that will need to be covered in that section of the lesson. These notes will also be helpful for substitute teachers and can even be read to the students if needed.

Arrows next to words in the notes, indicate words to you look up in a Bible dictionary before class.

Quest Page: Level 4 students will be introduced and practice using Bible study tools. On this sheet they will look up words or information in a Bible Dictionary, Concordance and Topical Bible as well as answer a critical thinking question. We recommend that you save the answer to the question until the end of the lesson.

Stick Figuring: As or after the Scripture is read, the teacher will stick figure that portion of Scripture onto the board. While students are drawing teachers can discuss that portion of Scripture. Students can either draw what the teacher has drawn or draw their own interpretation of the Scripture section. We encourage colors and creativity. Some students may opt to take notes in this section.

Review Questions and Answers: This section gives teachers the questions and answers for the lesson review. These questions cover who, what, when, where, why, and the how of the lesson. Notice that the last question is the application question for the lesson. The answer to this question will depend upon what the Lord has led the teacher to emphasize in the lesson – answers may vary. Teachers may also want to add their own questions as they feel led.
