Teaching the Lessons

Timeline and Verse Review: The timeline and verse review is done to help set the context for the current lesson. Verse reviews can be either written or verbal.

Teacher Notes: The teacher notes, in green, explain the important information that will need to be covered in that section of the lesson. These notes will also be helpful for substitute teachers and can even be read to the students if needed.

Arrows next to words in the notes, indicate words to you look up in a Bible dictionary before class.

Stick Figuring: As or after the Scripture is read, the teacher will stick figure that portion of Scripture onto the board. While students are drawing teachers can discuss that portion of Scripture. Students can either draw what the teacher has drawn or draw their own interpretation of the Scripture section. We encourage colors and creativity. Some students may opt to take notes in this section.

Review Questions and Answers: This section gives teachers the questions and answers for the lesson review. These questions cover who, what, when, where, why, and the how of the lesson. Notice that the last question is the application question for the lesson. The answer to this question will depend upon what the Lord has led the teacher to emphasize in the lesson – answers may vary. Teachers may also want to add their own questions as they feel led.

Character and Event cards: These cards are created to be used as review aids.

Jesus Was Buried: Joseph of Arimathea, (a member of the Council who was a rich man and a secret follower of Jesus) went to Pilate and received permission to take the body of Jesus. Joseph and Nicodemus wrapped Jesus' body in linen and laid him in Joseph's new tomb, which was near the place of execution. The women present noted the place of burial so that they could return at a later time and finish preparing the body.

THE BURIAL AND RESURRECTION

Mary and Jesus: Mary returned to the empty tomb to find two angels sitting where Jesus' body had been placed, and they asked why she was weeping. Mary responded that she wanted to know where the body had been removed to. Turning around, she encountered the risen Savior, who she at first mistook as the gardener.

Draw Mary kneeling at Jesus' feet.

Jesus and the Disciples: On Sunday evening ten of the disciples were gathered together, when Jesus appeared to them, showing them His nail-scarred hands and side. Jesus also gave them instructions during this visit.

Jesus and Thomas: The disciple Thomas, who was not present when Jesus appeared to the other disciples, questioned whether they had really seen Him. Eight days later, all eleven of the disciples were together, including Thomas, Jesus appeared again to them. This time Jesus showed Thomas His hands and His side and Thomas believed.

The Conspiracy: When the soldiers who had guarded Jesus' tomb returned with the report of the events that had taken place, the chief priests came up with a plan. The soldiers were told to say that the disciples had stolen the body of Jesus. In return the soldiers were given protection and paid to perpetuate this lie.
